Dear Cristina,

Hi! How are you? It's been a long time since we saw each other and I miss you very much. I'm even better than fine and I have good news to share with you.

I have just moved to Bucharest with my lover in our new appartement. Even though I try to say to myself it's nothing serious, because we did it to be closer to University, I'm so excited about this new chapter in my life and that's why I'm writing this letter to you my dearest friend.

For starters I have to tell you that this appartement is more beautiful than my old room, I decorated it myself. It has two rooms overlooking the near lake. It's situated in a very pleasant area, as I have the market right across the street and a park nearby. I can't wait for you to come over and catch up over a cup of coffee.

Oh! And did I tell you that I have a cat now? It's a Siamese and he's six months old. He is so sweet you will like him immediately. I hope there will be no problem with him making friends with our parrot, by now they haven't been able to stay in the same room.

I hope you can visit me soon! And by the way what have you been doing lately? Hope you'll write back soon.

Your oldest friend,

Catalina
